FORTY YEARS OF DEDICATION

Forty years ago if you called in a fire you would have to wait for the Bucket Brigade to come and put the fire out. Consequently the Hampstead Volunteer Fire Department was founded in 1938 and electing Levi Duston their Fire Chief and Elmer Ingraham president of the association in 1938 they bought a brand new fire truck which was retired in 1975, at that time a past fire chief's club was formed and the truck was turned over to them. They have restored the truck which is used for parades and Old Engine No. 1 is proud to still be riding the streets of Hampstead. All of our past chiefs reside in Hampstead with the exception of one who resides in Florida.

We now have seven fire trucks and one rescue truck. We have some of the latest equipment on the market for extinguishing fires and protecting the men using the equipment. We have a 5,000 gallon tanker which was acquired from the government which with our other trucks gives us a total of 8,800 gallons of water on wheels. We have some of the latest pumps on the market. We have a reel truck which carries 3,500 feet of 4" hose which can be operated by two men. And our 1976 Ford pumper Engine No. 1 with a 1,000 gallon per minute pump and 1,200 gallons of water are some of the newest equipment we have. Our alert system is one of the latest types on the market. We have a dispatcher who operates 24 hours a day.

Each firemen has a radio and when the dispatcher puts out an alarm everyone hears it at the same time which cuts our response time down to a minimum. In 1974 we had a group of people start a Rescue Squad which is under the direction of the Board of Engineers but has their own association separate from the fire department's association. This unit has expanded greatly and we have a rescue truck and 12 emergency medical technicians. These people can handle all kinds of emergencies and is made up of both men and women.

Both our fire department and rescue squad members are all volunteer townspeople. These people respond to emergency situations day or night, and due to the dedication of these people, the residents of Hampstead can still expect this type of service in the future. The board of Engineers is studying the future needs of housing and equipment and the Rescue Squad also has an ambulance study in progress.

Due to the late closing date for tax bills, many of the above taxes were received on January 3, 1978. The law states that all uncollected taxes as of December 31, 1977 must be listed.

"I hereby certify that the above list showing the name and amount due from each delinquent taxpayer, as of December 31, 1977, on account of the tax levy of 1977, is correct to the best of my knowledge and belief."

1978 TOWN WARRANT

TOWN OF HAMPSTEAD, N.H.

To the Inhabitants of the Town of Hampstead in the [L.S.] County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the gymnasium, in said Hampstead on Tuesday, the fourteenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To choose all necessary School District Officers for the year ensuing.

3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

General Government	\$ 69,550.00
Protection of Persons & Property	72,900.00
Health	58,510.00
Highways	75,200.00
Library	10,000.00
Public Welfare	7,200.00
Memorial Day	700.00
Recreation	14,500.00
Public Service Enterprises	9,911.40
Principal & Long Term Notes	17,500.00
Interest	30,000.00
County Tax	57,500.00

\$423,471.40

Recommended by the Budget Committee

4. To see if the Town will vote to authorize the Selectmen to hire money for the use of the Town in anticipation of taxes.

5. To hear reports of Auditors and Committees and to act thereon.

6. To see if the Town will vote to authorize the Selectmen to administer or dispose of any Real Estate by public sale acquired by the Town through Tax Collector's deeds.

7. To see if the Town will vote to require that the Selectmen, before disposing of real property, the title to which has been acquired by Tax Collector's deed, first consult with the Conservation Commission, said Commission to recommend if the retention of such real property would be in the best interests of the Town as provided in RSA 80:42a, subject to final ratification at the next annual or special Town Meeting.

Recommended by the Budget Committee

8. By request of the Town Auditors, to see if the Town will vote to recind Article 33 of the 1977 Town Warrant and thereby remove the requirements for itemization of Budget Summaries in the Annual Town Report as recommended by the New Hampshire State Board of Revenue Administration.

No Recommendation

9. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be added to the Land Purchase Fund created in 1972 for the Conservation Commission.

Recommended by the Budget Committee

10. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$1,000.00 to add to the \$2,000.00 raised in Article #27 of the 1977 warrant to repair the dam at Shop Pond, making a total of \$3,000.00 to repair the dam.

Recommended by the Budget Committee

11. To see if the Town will vote to authorize the Selectmen to excute a Quitclaim Deed to William A. Furze conveying all right, title and interest of the Town of Hampstead in the abandoned road running adjacent to the Furze property.

Recommended by the Budget Committee

12. To see if the Town will vote to allow Lewis Builders Inc. to construct two efficiency apartment buildings of sixteen units each in the East Village Apartments area.

By request, No Recommendation

13. To see if the Town will vote to raise and appropriate a sum of money not to exceed \$80.00 to install a street light at the entrance to Webber Road and Route 111.

By petition. Recommended by the Budget Committee

14. To see if the Town will vote to adopt the provisions of RSA 72:62 allowing for a property tax exemption on real property equipped with a solar energy heating or cooling system, which exemption shall not exceed the amount equal to the full value of said energy or cooling system.

Referendum Article. Recommended by the Budget Comm.

15. To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend in the name of the Town, such advances, grants-in-aide, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, local or private agencies that would be of benefit to the Town.

Recommended by the Budget Committee

16. To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend up to \$5,000.00 of funds that may become available to the Town under "The Comprehensive Employment and Training Act

of 1973" as amended (CETA) for the purpose of providing federally subsidized training and employment opportunities to benefit residents of the community and community-at-large.

Recommended by the Budget Committee

17. To see if the Town will vote to raise and appropriate a sum not to exceed \$1,200.00 to be applied toward the hiring of Supervisory Personnel for the CETA program.

Recommended by the Budget Committee

18. To see if the Town of Hampstead will vote to raise and appropriate the sum of \$1,500.00 (Fifteen Hundred Dollars) to be used toward the construction of the Vic Geary Drop-In Center, which will be used for the elderly. (Said Drop-In Center to be erected on the Greenough Road in Plaistow.)

Recommended by the Budget Committee

19. Shall we adopt the new provision of RSA 72:43-C relative to expanded exemptions on real estate for the elderly, changing the eligibility requirement that a person may own no more than \$35,000.00 in assests of any kind to a requirement that a person may own no more than \$50,000.00 in assests of any kind?

Recommended by the Budget Committee

20. Shall we adopt the new provision of the RSA 72:42-B relative to expanded exemption on real estate for the elderly, changing the basis of the exemption from the equalized assessed value to the actual assessed valuation?

Referendum article. Recommended by the Budget Comm.

21. To see if the Town of Hampstead will vote, by a yes or no ballot, to create, establish, and maintain a Town Mosquito Division under the provisions of RSA 437-A and Chapter 171 of New Hampshire State Laws. The goal is to try to eliminate breeding conditions for mosquitoes. Joint efforts with neighboring towns will be encouraged. Each community decides on whatever it wishes to raise and appropriate for its abatement program. The sum of \$500.00 shall be raised and appropriated, as a part of the Town Budget, for 1978 labor, equipment, and materials for the conduct of the Town Mosquito Program.

Recommended by the Budget Committee

22. To see if the Town will vote to expend from Revenue Sharing Funds a sum of money not exceed \$3,300.00 to purchase a snow plow blade and wing for the use of the Highway Department.

Recommended by the Budget Committee

23. To see if the Town will vote to expend from Revenue Sharing Funds a sum of money not to exceed \$3,500.00 and to withdraw from the Capital Reserve account as voted in Article #15 of the 1977 Town Warrant, a sum of money not to exceed \$2,000.00, plus interest, to purchase a Cruiser for the Police Department.

Recommended by the Budget Committee

24. To see if the Town will vote to allow the Selectmen to sell the 1974 Cruiser.

Recommended by the Budget Committee

25. To see if the Town will vote to expend from Revenue Sharing Funds the sum of \$2,408.00 for the Greater Salem Mental Health Association.

Recommended by the Budget Committee

26. To see if the Town will vote to accept a deed from the Greater Hampstead Civic Club for the Memorial Gymnasium.

Recommended by the Budget Committee

27. To see if the Town will vote to expend from Revenue Sharing Funds a sum of money not to exceed \$4,500.00 for expenses incurred at the Memorial Gymnasium for the year 1978.

Recommended by the Budget Committee

28. To see if the Town will vote to expend from Revenue Sharing Funds a sum of money not to exceed \$6,000.00 to purchase approximately 11 acres more or less owned by Walter Weeks, adjacent to the Town Dump.

Recommended by the Budget Committee

29. To see if the Town will vote to expend from Revenue Sharing Funds a sum of \$5,000.00 to be added to the Capital Reserve Fund established in 1975 for the future purchase of equipment for the Fire Department.

Recommended by the Budget Committee

30. To see if the Town will vote to expend from Revenue Sharing Funds a sum of money not to exceed \$6,540.00 to allow the Selectmen to enter into a contract with the Shanahan Ambulance Service to guarantee this service for one year commencing March 15, 1978.

Recommended by the Budget Committee

31. To see if the Town will vote to expend from Revenue Sharing Funds a sum of money not to exceed \$5,500.00 to pave the parking areas at the rear of the Memorial Gymnasium.

Recommended by the Budget Committee

32. To see if the Town will vote to expend from Revenue Sharing Funds the sum of \$700.00 to purchase an IBM typewriter for the use of the Police Department.

Recommended by the Budget Committee

33. To see if the Town will vote to support maintenance and operation of the Town Beach at Ells Shore?

No Recommendation

34. If yes to Article #34, to see if the Town will vote to expend from Revenue Sharing Funds a sum of money not to exceed \$4,000.00 for the operation and maintenance of the Town Beach at Ells Shore.

No Recommendation

35. To see if the Town will vote to adopt the following by-law: No land shall be graded or drained so as to discharge water in the traveled way. Violators shall be fined no less than \$50.00 per day until such condition is remedied.

Not Recommended

36. To see if the Town will vote to appropriate a sum of money not to exceed \$572.00 received from the Public Works Employment Act of 1976 Title II, Anti-Recession Fiscal Assistance to State & Local Governments for use by the Police Department.

Recommended by the Budget Committee

37. To see if the Town will vote to accept the 1977 donation of \$2,500.00 from the Cohen Foundation Camps.

Recommended by the Budget Committee

38. To see if the Town will vote to authorize the Selectmen to invest the interest received from the Ordway Park Trust fund in a separate account and to be expended for the caring and improving of said park.

Recommended by the Budget Committee

39. To see if the Town will vote to recess the Town Meeting to reconvene at the call of the Selectmen for the purpose of taking whatever action is necessary or indicated by the Rockingham County Solid Waste Study to enable the Town to meet its Solid Waste Disposal needs in conformity with existing laws and regulations.

40. To see if the Town, pursuant to the authority granted under RSA 147:47, will authorize the Selectmen to enter into contract with the operator of a Solid Waste Disposal facility to be established in North Andover for the disposal of refuse, garbage and waste and for use of by-products from the use of the operation of such a facility which contract will:

1. be for a term of 20 years more or less
2. include provisions for delivery of minimum amounts

of refuse, garbage and waste, and payment for use of this facility to be based thereon

3. provision for unit prices that will be graduated and for adjustments therefore and for the use of steam, electricity and other by-products resulting from the use of this facility and for credits or payments of the Town resulting therefrom

4. the use by the Town or other municipalities of the uncommitted capacities of such facilities.

5. certain other provisions incidental and related to the foregoing general matters, and

6. be generally in the form of a proposed contract* negotiated by representatives of the member communities of Northeast Solid Waste Committee (NESWC) with such changes therein as may be approved by said Board of Selectmen.

*copies of the form of proposed contract will be on file in the office of the Town Clerk and Board of Selectmen, where they may be examined during office hours.

Given under our hands and seal, this tenth day of February, in the year of our Lord nineteen hundred and seventy-eight.

CHARLES W. LINDQUIST, Jr.
LAURENCE C. CORNWELL
DEAN C. HOWARD

Selectmen of Hampstead

A true copy of Warrant—Attest:

CHARLES W. LINDQUIST, Jr.
LAURENCE C. CORNWELL
DEAN C. HOWARD

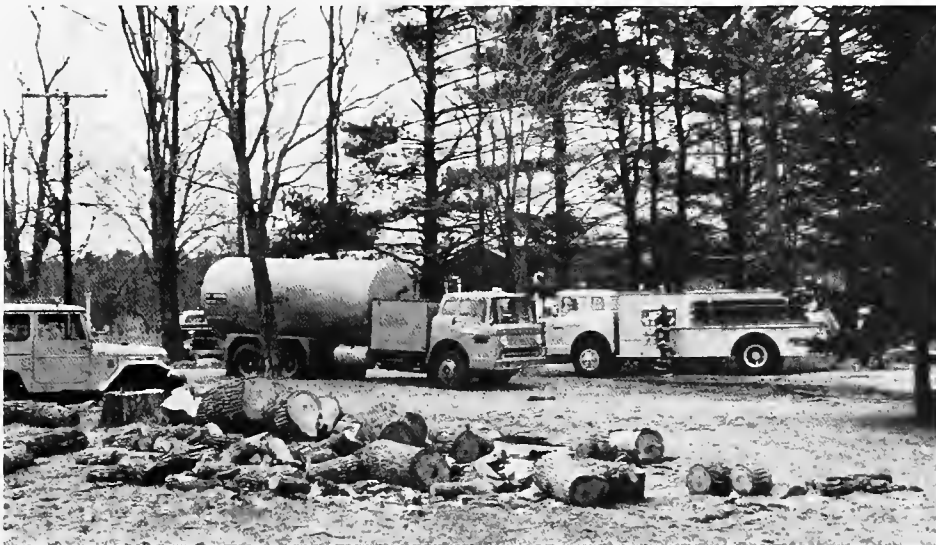

Selectmen of Hampstead

Articles 14, 19 and 20 will appear as referendum on the ballot.

The polls will not close before 6:00 P.M.

It is understood that a motion will be made at the opening of the meeting that the polls remain open until 8:00 P.M.

The business meeting will be held on Friday, March 17, 1978 in the gymnasium.

CORRESPONDENCE

ADDRESS ONLY

Dear Ada,

We wish you a very happy retirement and would like to thank you for the many years of dedicated and courteous service in the East Hampstead Post Office.

Warmest regards,
The Townspeople
of Hampstead, N.H.

Mrs. Ada Widman
East Hampstead
New Hampshire 03826

REPORT OF POLICE DEPARTMENT

I am pleased to submit the following report to the inhabitants and officials of the Town of Hampstead for the year 1977.

Your department was very busy with accident investigations having recorded a record number of eighty-eight, fifteen of these resulted in twenty-eight persons being taken to hospitals and seventeen others received injuries. This large increase over previous years can be attributed to hazardous road conditions during the winter months. More than half were recorded during this period.

Fifty-three burglaries were reported with twenty-three cleared by apprehension. Twenty-four cases of larceny of which five were cleared; one case of aggravated assault; eleven stolen motor vehicles with nine recovered, fourteen missing persons (all located), four untimely deaths and forty two acts of vandalism. The greatest amount of burglaries and acts of vandalism occur to summer camps during the winter months. We request any and all suspicious persons or vehicles be reported to this department immediately.

One hundred and seventeen cases were taken to Plaistow District Court and we presently have five burglary cases pending in Superior Court.

A mutual aid agreement entered into with neighboring towns has proven beneficial to all concerned. Numerous subjects have been apprehended through the combined efforts of these departments.

Special training sessions as well as police training schools in all phases of police work were well attended by members of this department. This training is an ongoing program so that our men will be as well trained as possible in all phases of our job.

Sincere thanks to all of the townspeople for their cooperation, to our wives for their understanding, to all departments for their cooperation and especially the Rescue Squad for their untiring efforts at accident scenes.

William Letoile, Jr., Chief of Police

Hampstead Firefighting Equipment

REPORT OF THE FIRE DEPARTMENT

The Fire Department had a record breaking year in 1977. As the population of Hampstead grows, the number of calls for assistance has also increased . . . A total of 202 calls were answered by the Fire Department and Rescue Squad. This was an increase of 64% over the previous year. The breakdown of alarms answered is as follows:

Rescue Squad	79
Structural Fires	17
Chimney Fires	5
Dump Fires	15
Woods and Grass Fires	14
Car Fires	3
Box Alarms	4
Miscellaneous	41
Mutual Aid Sent	17
Mutual Aid Received	7
TOTAL CALLS	202

The extreme weather in March is blamed for the large number of calls for flooded cellars and wires down. During the storm of the 22nd the main station was manned until the power and telephone service were restored.

The conversion of the International all wheel drive truck to a reel truck as voted at last year's town meeting should be completed by the end of February. A hydraulically operated reel will hold 3,500 feet of four inch hose and a front mounted 1,000 GPM pump will require only two men to supply a large amount of water when needed.

During the fall the Department began digging a new water hole on the Depot Road to provide a water source for West Hampstead. A large amount of soil was removed and taken to build a ramp which will facilitate pumping at the water hole located on Stage Road. This project would not be as far along as it is without the donation of manpower and equipment by several contractors in town.

The use of wood to heat homes has increased markedly in the last few years. The Department would like to remind all residents to install and operate these woodstoves in a safe manner. Chimneys should be cleaned and checked at the least yearly and a smoke detector installed in each home. The value of a smoke detector cannot be estimated in terms of money . . . **smoke detectors save lives!**

The Police Department and Road Agent have been of great help during the past year in emergency situations. Our sincere thanks to our dispatcher Helen Conley. Each member of the Fire Department and Rescue Squad volunteers his or her time to make Hampstead a better place to live. On behalf of the board of Engineers we salute them.

Walter M. Hastings, Chief
Paul S. Wentworth, Deputy Chief
Charles E. Kinney, Captain
Neil E. Emerson, Lieutenant
Glen K. Fitts, Lieutenant

HAMPSTEAD EMERGENCY RESCUE SQUAD

The Hampstead Emergency Rescue Squad, a branch of the Hampstead Fire Department, is completing its fourth year of service.

The squad has been involved in a wide variety of emergency situations. This year we have responded to 79 calls: 14 heart attacks; 13 automobile accidents; 6 motorcycle accidents; 3 respiratory emergencies; and 43 miscellaneous calls (fractures, burns, poisoning, etc.). A total of 1708 man hours have been devoted to training and rescue calls.

Continued training has been one of the goals of the squad. Even though basic knowledge of Advanced First Aid and CPR is required for all members, most have either completed or are taking Emergency Medical Technician training. This provides a more comprehensive knowledge and a more effective, smoother operating squad.

Acceptance by the townspeople is gratifying and has been reflected in very generous gifts of equipment from the Young Mother's Club and the Lions Club. We also received a \$250 donation from the people of Sandown for services rendered prior to the formation of their own squad. In addition there have been numerous private gifts used to purchase equipment and further our training.

The squad trains on the first Wednesday of each month and conducts its business on the third Wednesday. Our now annual New England Boiled Dinner held early each year is our major fund-raising event and we appreciate the marvelous response it receives.

In closing, it is important to note that with our present equipment and manpower we are unable to transport to the hospital. We always welcome the involvement of all interested people and we urge your participation in this vital and active service to the town as we look forward to a year of growth.

Respectfully submitted,

Rescue Squad
Harry A. Mildonian, Jr.
William R. Sackett
Paul S. Wentworth
(Executive Committee)

LIBRARY TRUSTEE'S REPORT

Your public Library has experienced many changes in 1977. Early in the year when it was learned that Bonnie Howard would be leaving the library, we promptly set to work to find a new librarian. In order to fulfill the N.H. State Library Development Act requirements, the librarian had to have some library education and/or library experience. The trustees after looking through many applications selected Mrs. Elizabeth (Becky) Rooney, a resident of Hampstead, who fulfilled these requirements. Mrs. Rooney has been quite busy since September when she assumed the position attending to the daily routines and long range planning.

As for the physical plant, it was decided to replace the archaic storm windows, to make them easier to maneuver and to conserve on fuel. The interior has been painted, the front steps replaced and minor leaks repaired.

Many new books in all categories, children, young adult, adult, non-fiction, and reference have been purchased. Mrs. Rooney and Mrs. Rachel Sanborn, our library district consultant, have spent many hours weeding, replacing and adding to the existing collection.

Hampstead is well represented at library meetings. Mrs. Rooney and Mrs. Beth Duston regularly attend District Advisory Council meetings to share ideas and to promote public relations with other area librarians and trustees. Mrs. Duston is also the Southeast DAC representative to the State Board of Library Trustees. Mrs. Rooney attended the N.H. State Library Conference for two days of meetings, conferences, and book and trade displays. Mrs. Mary Clark represents Hampstead on the Friends of the Library Council. Hopefully this coming year an active group of friends can be organized.

This past year several questions have arisen regarding library policy, including library property and grounds, so it seemed important with the arrival of the new librarian to have a well defined policy. A new library policy has been prepared including policy on library purpose and usage, circulation procedure and fines. A copy is on file with the librarian for those interested.

Our grateful thanks to Bonnie Howard, to the Young Mothers Club for their continued interest and support, to Mrs. Mary Clark for the success and efforts of the Thrift Shop, and to those who have contributed their time and gifts.

Respectfully submitted,
Mrs. Beth Duston
Mrs. Mary Clark
Mrs. Florence Malsbenden

LIBRARIAN'S REPORT

I wish to express my appreciation to my Trustees for time in helping me settle in as your new librarian and to Bonnie Howard for making the transition of librarians smooth and easy. A special thank you is extended to Mary Clark for her enthusiasm and for her successful year directing the Thrift Shop whose monies are vital to our library.

The interior of the library has been painted and the steps repaired. Time has been spent in organizing the shelves and many new books have been ordered such as encyclopedias in the areas of energy, science, law, medicine, and environmental science as well as best sellers and books updating the young adult and children's area. The state Bookmobile visits us three times a year to supplement our library collection.

We support the New Hampshire Library Development Association and to meet their requirements, we will be open five more hours in the spring to meet their recommended hours for towns of our population. Mrs. Rachel Sanborn, our District Advisory Counselor from the State Library has been of great assistance in aiding me in reorganizing and weeding our current collection. The State Library has been prompt with our many requests for special books. This is a most important service to libraries as small as ours to enable us to offer material not housed in our own library.

I appreciate the donation of books and the many offers of assistance. The exhibits displayed by the 4-H Group, Mrs. Piehl's art classes, and the crafts and hobbies of our townspeople were enjoyed by many. The Young Mother's Club continues to present the pre-school story hour and the Library sponsored the "Little Red Wagon" from U.N.H. during Children's Book Week.

The cost of maintenance, supplies, and especially of books has risen. There are many books not returned over the past few years, and I would appreciate everyone checking their shelves for public library books as monies should be spent on new selections to update our collection rather than replacing basic materials that have not been returned.

The Library would like to become an integral part of the community and I invite you all to come and visit.

Respectfully submitted,
Elizabeth B. Rooney

CONSERVATION COMMISSION

The Conservation Commission had a quiet and productive year. A grant has been received from the Bureau of Outdoor Recreation for work being done in the Town Forest. This 33 acre area off East Road is under a 10 year Forest Management Plan developed by Thomas Neff. A fire road has been put in and further plans are progressing.

Ordway Park in West Hampstead is gradually being reclaimed from the encroaching brush. Ray Basset was hired to use his brush hog and mow the field. CETA workers under the direction of Warren Cooke spent many hours clearing the poison ivy and brush away from the walls. Money for this work is provided by a trust fund set up by Martha Ordway when she bequeathed the land to the town.

The people of Hampstead voted to give the Conservation Commission an old trust fund which had never been used. The money will be used to plant shade trees in Hampstead. The project is scheduled for completion this year.

Members of the Commission look forward to serving the community in the coming year. We encourage and invite public participation in our meetings which are held the second Monday of each month in the Town Office Building.

Susan E. Hastings, Chairman

RECREATION COMMITTEE

This has been a year of learning for the Hampstead Recreation Committee. We started off on the wrong foot when an early spring wind and ice storm blew down the backstop of the ball field just two weeks before Little League tryouts; a large part of our budget was also blown away that day. Maintenance of the ball field was the responsibility of the Recreation Committee this year. We would like to thank Warren Cooke for a "job well done".

The Summer Park Program was resumed again this year due to the conclusion of year round school.

In our efforts to serve a broader spectrum of town residents, we sponsored a fall foliage bus trip for senior citizens. Over one hundred participants spent an enjoyable day in northern New Hampshire thanks to the organization efforts of project coordinators, Mr. and Mrs. Raymond Thibeault.

Competition is keen this second season of the Men's Basketball League — four teams participate weekly in this program.

With the growth of the town, and more time available for recreation, it is becoming more important for our committee to be active in our community. With the acquisition of the Tennis Courts and Town Beach, and the continuation and expansion of our present programs, the coming year should prove to be active and, hopefully, enjoyable for all residents of the Town of Hampstead.

Respectfully submitted,

Norman J. Carideo
Lloyd E. Lovering
Robert L. Letoile

Proctor Wentworth, Jr.
Gerard A. Lavoie
Recreation Commission

DERRY VISITING NURSE ASSOCIATION

From July 1, 1976 through June 30, 1977 home health care provided by this agency to Hampstead residents showed a dramatic overall increase. This was accounted for by large increases in nursing and physical therapy home visits as Homemaker and Home Health Aid visits were considerably less for this period. Each year the needs within the town are likely to fluctuate. For example, there may be no one who needs physical therapy for a long period of time and then 2 or 3 people at once who each need 2-3 visits per week. The agency staff and services must remain available to meet these fluctuating levels of need within each of the six towns served. As populations grow the overall needs and levels of service also grow steadily.

A comparison of service for the past two years follows:

	'75 - '76	'76 - '77
Home nursing visits to provide care to the ill	154	318
Nursing visits to provide health supervision	24	30
Maternal/newborn visits	24	51
(Total nursing visits)	(202)	(399)
Physical therapy visits	1	159
Homemaker/home health aid visits	238	135
Extra supervisory visits	40	19
Hours of homemaker health aid service	403½ hrs.	252¾ hrs.

Hampstead residents representing the town on our Board of Directors are:

Charles Clark
Jeanne Cooke

Ruta Jordans
Evelyn Lawrance

Respectfully submitted, Joanne Millsaps, R.N.
Nurse/Administrator

NOTICES

INVENTORIES are mandatory. They must be filed with the Selectmen on or before April 15th. Forms are distributed by mail. Please note that a description of the property which will enable the assessing officials to locate and identify each parcel is necessary. A phrase such as "Same as last year" or "no change" is not sufficient. On census portion list **only** names and birth date of any new, deceased or members of household moved away.

VETERANS should understand that it is their responsibility to request forms for tax exemption. The Blue card is a permanent record and must be filed only once. However, in order to receive the exemption each year, the Inventory must be filled in and the portion for the Veteran's Exemption checked, signed, and in the hands of the Selectmen before April 15th.

THE SELECTMEN will meet in their office in the Town Office Building on the second and fourth Monday of each month at 8:00 P.M. and meet on the second Monday at 7:00 P.M. with Department Heads.

THE PLANNING BOARD — Regular meeting is the third Monday of every month at 8 P.M.

ELDERLY EXEMPTION BLANKS are mailed to persons who have received the exemption the previous year. For persons over 65 who think they may be eligible and who have not received the exemption before, blanks can be obtained from the Selectmen and returned by April 15th.

IMPORTANT NEW STATE LEGISLATION

Be it Enacted by the Senate and House of Representatives in General Court Convened:

74:7-a Penalty for Failure to File. Any person who fails to file a fully completed inventory form on or before April 15, unless granted an extension under RSA 74:8, shall pay a penalty of one percent of the property tax for which he is liable. In no case, however, shall the penalty be less than \$10 or more than \$50. Any person who fails to file an inventory form and who becomes liable to pay the penalty specified in this section shall lose his right to appeal any matter pertaining to the property tax for which he is liable or exemptions to which he may be entitled. This penalty has all the force of taxation and shall be treated as incident to the tax.

EFFECTIVE APRIL 1, 1978

SCHOOL WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of Hampstead, qualified to vote in District affairs:

You are hereby notified to meet at the Memorial Gymnasium in said District on Monday, March 13, 1978 at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To see if the District will accept reports of auditors, agents, committees and officers.
2. To see if the District will vote to release the Greater Hampstead Civic Club, Inc. of Hampstead, New Hampshire, from any and all terms and conditions set forth in the agreement between the Hampstead School District and Greater Hampstead Civic Club, Inc. dated September 8, 1978, recorded in the Rockingham County Registry of Deeds, Book 2245, Page 1844. Further that the School Board be authorized to execute and record any and all documents that are required in order to give to the Greater Hampstead Civic Club, Inc. a full and clear title to the property conveyed to the Greater Hampstead Civic Club, Inc. by deed recorded in the Rockingham County Registry of Deeds, Book 2273, Page 0557.
3. To see what action the District will take relative to the publication of a separate school district annual report.
4. To see what sum the District will vote to raise and appropriate for the payment of salaries of school district officials and agents and for the payment of the statutory obligations of the District.
5. To see if the District will authorize the School Board to make application for, to receive and to spend in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from federal, state, local or private agencies.
6. To transact any further business that may legally come before this meeting.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

ROBERT J. CROMPTON

The Tunnel Light

After many years of seeking appropriate space for our Hampstead students, the light was seen at the end of the tunnel and it has become larger and brighter during the past year. I refer to the smooth progress in the construction of our new Hampstead Middle School. We will open the building in September of '78 and house grades five through eight. An **APPROVED** middle school program will be implemented, offering specialization in the basic subject disciplines as well as full activities in Industrial Arts, Home Economics, Art, Music and Physical Education. With the opening of the new school, Hampstead students will have a food service cafeteria program available to them for the first time. As we think of the advantages of the new school plant for our middle school aged youngsters, we must not overlook the space advantages gained in the Central School for our younger children. They will now have adequate space for specialized programs such as reading, guidance, an all-purpose area providing for a food service program, large group activities and primary grade physical education activities.

The School Board has determined that it will no longer be using the Hampstead Memorial Gymnasium and in this connection it is important to recognize the excellent job done by the Hampstead Civic Club in not only maintaining the facility in top-notch condition, but in the cooperative manner they worked with the school system so that we could continue to provide our students and the community with programs in physical education, music and interscholastic athletics. Thank you H.C.C.!!

More will be said in the days ahead about plans for the operation of our school system and its two facilities. We ask the public's opinions and their cooperation as we set out upon our new venture.

Back to Basics

We've heard much on the national scene about the "return to basics". Our School Board and I share this concern and are following guidelines developed by the State Board of Education to identify competencies for grades four and twelve. I am optimistic that this movement will have a positive effect on our schools and will result in more citizen knowledge and involvement in local education. I am also confident that the movement will help us clearly define our major priorities in delivering an educational program to our youth.

While I can assure you that our schools consider communications skills, consisting of the reading, language development and mathematics programs, to have top priority, I am fearful that an over-reaction on the part of parents, educators and legislators may narrow their sights to the extent that other vital areas of education may be overlooked to the detriment of our students and the society they will later serve.

Another advantage of the movement is that we in the education business have been caused to re-examine what we are doing and how well we are doing it and in the process, I feel our programs and teaching methods are being strengthened.

I consider all of this to be a re-emphasis, however. Our schools have never really deserted the basics and I resent the label "back to basics". Good school systems never left basics in the first place. I prefer the term, "forward with fundamentals". In the competency based education movement, I become concerned about "witch hunts" in which a simple statistic may unfairly reflect upon an otherwise able teacher. I am further concerned that the public may not understand the competition we experience in the student's learning process. How do we control the effects of parents, home, T.V. and the community?

A lot has been said about minimums. Many of our students have and will continue to exceed the minimums. We don't want minimums to become maximums. Every child should be challenged to achieve according to his abilities. In this connection, it is also true that many of our students can not meet minimum competency requirements. Some of these students never could and never will. We are prepared to deal with these legitimate variables and are constantly assessing our instructional approaches to be sure that priorities of the past continue to be the priorities of the future.

Service to the Hampstead community, which continues to demand and is supportive of good education, is a privilege and a pleasure.

REPORT OF THE PRINCIPAL

WILLIAM P. NICHOLS

After three and one-half years of year-round school scheduling, the start of normal school scheduling was greeted with positive feeling by students and staff members of the Central School. The next positive step will be the completion of the new Middle School. This will give us adequate space in the Central School as well as in the new building.

The addition to the Central School will enable us to incorporate a hot lunch program for the first time since 1958. The Middle School kitchen will prepare meals for both schools. School lunches will be transported from the Middle School and served to the children in the enlarged cafeteria at the Central School. This enlarged area has, for this school year, allowed two additional teaching stations to be incorporated. The area now houses a first grade, a readiness class, and the library, by use of a temporary partition. This arrangement has made it possible for us to expand the seventh and eighth grades by two faculty members and two classrooms. These grades are, and have been, the largest at the Central School.

Through the efforts of our reading consultant, the school has obtained equipment and teacher aide time from a Title I Grant to set up reading labs for our seventh and eighth grade students. This program is designed to strengthen communication and reading skills of the youngsters in this age group.

Emphasis has continued at all grade levels in the math and language arts curriculum to intensify the development of good basic skills need for a better transition from grade to grade.

A Language Arts Curriculum Committee consisting of teacher representatives from each grade level began working on a curriculum guide of standards for grades R-8. Research and study of various curriculums throughout the country and within New Hampshire began in October, 1976, and was finalized for grades R-4 in August, 1977.

A Master Checklist of Skills to be achieved at each grade level was an outgrowth of the Curriculum Guide and it is to be included in each student's cumulative record. Plans are underway to continue revision and rewriting of the curriculum for grades 5-8.

A CPR (cardio pulmonary resuscitation) course was offered this year to our eighth grade students in conjunction with the health curriculum. The Hampstead Rescue Squad was extremely supportive in the instruction given to our students. Fifty-seven eighth graders qualified and have received their CPR certificates from the Red Cross. This kind of support by townspeople for our students is demonstrated by programs such as the library aide volunteers, the early dismissal telephone system, the Music Boosters, and the room mothers, to name a few.

Town organizations have been active in providing programs for a variety of recreational activities to keep children involved in constructive endeavors.

The school system looks forward to providing the children of Hampstead an expanded academic program, as well as extracurricular opportunities that the additional facilities will provide for all eight grades in the near future.

THE HAMPSTEAD STAFF DEVELOPMENT COMMITTEE

CAROL SCOTT, Chairman

Staff Development was a plan initiated by the State Board of Education as a method of professional growth and a basis for recertification of New Hampshire teachers. In 1972 the Timberlane and Hampstead School Districts formed a joint committee to draw up a master plan for Supervisory Union No.55. A needs assessment survey conducted union-wide in 1974 was the basis for the plan which was approved in 1975. The Hampstead School District participated in the joint plan from July 1975 to June 1976.

During the early months of 1976 the Hampstead School District conducted a needs assessment within Hampstead. The results of this survey formed the basis for the Hampstead Staff Development Master Plan, which has been in effect since July 1976. This Master Plan gives participating teachers a set of guidelines for professional growth and involvement in the educational needs of the Hampstead School District.

The Staff Development Committee of Hampstead is composed of nine members, each serving a two-year term. They represent the following groups:

- 4 Teachers: 1 Elementary (R - 3)
 1 Intermediate (4 - 6)
 1 Junior High (7 - 8)
 1 Special Services
- 1 Administrator
- 1 School Board Member
- 2 Parents
- 1 Student

Each representative is elected by the group he represents. The parent representatives are appointed by the Hampstead School Board.

Our Staff Development Committee for 1977 - 1978 is as follows:

Teachers:	
Elementary	June Deyo, Vice Chairman
Intermediate	Carol Scott, Chairman
Junior High	Bernard Bartnicki
Special Services	Sandra Dorval
Administrator:	William Nichols
School Board Member:	Virginia Clark, Secretary
Parents:	Beatrice Zappala
	Robert Kenyon
Student:	John Griffith
